

ECONOMICS, SUPER & WINE

Paris Financial invites you to join us for an entertaining evening with a couple of excellent speakers whilst enjoying some wine tasting & canapes.

Our Experts...

Ryan Felsman | Senior Economist | CommSec

Ryan is a Senior Economist at CommSec and is responsible for the analysis of economic trends and developments in the Australian and global economy, as well as the likely impact on equity markets. He writes regular commentaries and presents to clients and customers across the Commonwealth Bank Group and regularly appears on Sunrise and Sky Business as part of his media commitments.

Ryan will bring us all up to speed on the economic outcomes and policy developments in the US, China and Australia and the impact they are having on the Australian and Global financial markets.

Darren Foster | Private Wealth Senior Client Adviser | Paris Financial

With so many proposed changes happening in Superannuation, Darren will provide us with an update of the changes that have passed through parliament and may effect you in 2018.
