About this Guide

This Financial Services Guide Part 1 (**'FSG', 'FSG Part 1', 'Guide'**) provides you with important information about:

Who we are

- The financial services we provide
- How we and our associates are paid
- Any arrangements which may influence our advice to you
- How we protect your privacy
- Who you should contact if you have a complaint.

Merit Wealth Pty Ltd has approved this FSG.

Who is providing the Advice?

The financial services offered in this FSG are provided by Merit Wealth Advisers (**'Adviser'**), who are Authorised Representatives of Merit Wealth Pty Ltd. Merit Wealth, as the holder of an Australian Financial Services Licence is responsible for the advice services offered in the FSG.

Merit Wealth Pty Ltd (**'Merit Wealth', 'Merit', 'We/Us' or 'the Licensee'**), ABN 89 125 557 002, Australian Financial Services Licence (**'AFSL'**) No. 409361, is a wholly owned subsidiary of Easton Investments Limited (**'EAS'**) ABN: 48 111 695 357, an ASX listed company.

FSG Part 2 (separate document) is a profile of your Adviser who is authorised by Merit Wealth to provide you with the financial services described in this FSG.

Information you will receive

You will be provided with various documents that explain how our recommendations will work towards achieving your goals, the fee and potential conflicts that may exist that could influence the advice provided. These documents are designed to help you make informed decisions about our recommendations.

Statements of Advice and Records of Advice

When we provide you with initial personal financial product advice you will receive a Statement of Advice (**'SOA'**) that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. We will keep a record of further advice. We retain these documents for seven years.

You may not receive an SOA for further advice we provide to you if you have already received a Statement of Advice. You may request a copy of your records of advice by contacting us.

Fee Disclosure Statement and Opt-In

If you have entered into an ongoing fee arrangement with your Adviser for a period of more than 12 months, you will also receive a Fee Disclosure Statement ('FDS') on an annual basis.

The FDS will contain details for the previous 12 month period of the services you were entitled to receive, the services you actually received and the fees which were paid.

At least once every two years we must provide you with a renewal **Opt-In** form in respect of continuing with these ongoing fee arrangements.

Product Disclosure Statements

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement ('PDS') or other disclosure document issued by the product provider. These documents contain information about the risks, benefits, features and fees payable for the product.

What type of fees, commissions, payments and other benefits do we receive for our services?

Service fees

We will discuss and agree our fee structure with you before we provide you with services. We provide ongoing services in addition to advice. Types of fees you can be charged with are listed below. You may be charged a combination or part of any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement on the fees before we provide you with advice.

Ongoing advice and Service fees

We charge a fee for ongoing administration, advice and service to attend to client investment portfolios, including reviews. This fee will be agreed with you and is either a set amount per year or an amount based on the amount of funds under our advice and/or the time involved in reviewing your portfolio and circumstances.

Payment methods

In most instances you will be able to select the method of payment. Our fees are either invoiced to you directly or deducted from your investments or portfolio accounts at your direction, or a combination of both methods.

We will discuss and agree the method of payment with you before we provide you with services.

Further information about these fees and methods of payments will be provided in your Statement of Advice or Record of Advice ('ROA').

Commissions

Merit Wealth works on a fee for service basis. However, in some circumstances, if you take out a financial product, Merit Wealth may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers.

Commission is not a cost to you; it is a payment from the product provider.

Commissions are included in the product costs and are not a charge by the Adviser or Merit Wealth. However, your Adviser may agree to offset commission from your agreed advice fees.

The fees and or commissions payable for different classes of financial products are listed below.

Investment products

A commission for the placement of investment products is no longer allowed.

Commissions may be payable in certain circumstances where Merit Wealth has an existing arrangement with the product issuers prior to 1 July 2013. Where you acquired an investment product before 1 July 2014, commissions may be payable where Merit Wealth has an existing arrangement with the product issuer prior to 1 July 2013.

Initial commissions on investment products can range between 0% and 5% of your initial investment	Range: 0 - 5% - Once off Example: \$10,000 invested = \$500 commission
Ongoing commissions range between 0% and 2% pa of your investment balance.	Range: 0 - 2% pa Example: \$10,000 invested = \$200 pa commission

Life insurance products

Initial and ongoing commissions from insurance providers may be received by Merit Wealth. These commissions are paid to Merit Wealth by the company that issues the product that Merit Wealth's Advisers recommend to you and they are included

in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Merit Wealth. Ongoing commissions are payments paid by product issuers to Merit Wealth in the years after the first year. These commissions may be passed onto the Adviser.

If you initiate an increase to your cover, Merit Wealth may receive initial and ongoing commissions on the increase to your policy cost. The ongoing commission on a client-initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
1 January 2018 - 31 December 2018	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	0 - 60%	0 - 20%

Example

You have an existing policy with us, issued in 2017, and in 2018 you decide to increase the cover on that policy with a corresponding increase in policy cost of \$100 pa. Merit Wealth may receive up to \$140 (140% excl. GST) as initial commission on that increase and may pass up to \$140 pa to your Adviser. The ongoing commission may be up to \$38.50 (38.5% excl GST).

After 1 January 2018, on any new policy, the upfront commission would be up to 80% (\$800) with the on-going commission of up to 20%, resulting in an on-going payment of \$200 per annum.

You will find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you will also find details of the commission that Merit Wealth and your Adviser are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

These are the Merit Wealth Superannuation Service and the Merit Wealth Investor Services, an Investor Directed Portfolio Service, i.e. Wraps or Platforms.

We may also provide the referrer with thank you gifts such as branded promotional items, hampers, gift vouchers etc. The fee varies according to the client, referrer and financial products involved. The fee may be a percentage of our fees, a percentage of the total amount invested paid through the referral, or a flat fee.

We may pay these fees upfront when the financial service is provided or the financial product is provided, or periodically as ongoing fees. The details of that fee will be in the Statement of Advice or Record of Advice, if a Record of Advice is requested.
