

This is a checklist we've designed to enable us to complete your work as quickly and efficiently as we can, by ensuring we have all the information we need right in front of us. This also avoids delays with having to follow up on missing or incomplete information, as well as additional costs if we need to sift through receipts.

For this reason, we kindly ask that you gather *everything* together *before* you send or bring in your information to us (including <u>ALL</u> entities you may have, such as businesses, companies, trusts or superannuation funds). If we do not have everything we need, unfortunately we will be unable to start your work and you may incur additional fees.

We appreciate and thank you in advance for the valuable time taken to complete our checklist, in order for us to get you the best possible result for your tax return(s). We would also like to take this opportunity to thank you for choosing the team here at Paris Financial. We are certain you will find our staff very keen and helpful, and always willing to ensure your needs are looked after to the best of our abilities.

If this is your first time with Paris Financial we would like to thank you for choosing us we are sure you will not be disappointed! It would help us greatly to have a copy of your last lodged tax return to enable us to check for any items that should be carried forward.

Please remember that this checklist and its contents relate only to your *personal* tax and not that of your trust, company or SMSF. We have separate checklists describing the information required for any other entities you may have.

#### Please note that it is an ATO requirement that we have Photo ID for all *new* clients.

If you do have any questions, please feel free to contact our office, will be more than happy to assist you.

Kind regards

### **APPENDIX A**

If there is an Investment Property involved...

It is all too common that investors spend money in their activity as an investor that is not claimed as a tax deduction simply because they are not aware of the possibilities. Therefore, to help us get you the best possible tax result, please provide us with the following information:

#### **Property Details**

Full Address of the property Details of the legal ownership as per the title records Date of settlement Purchase price Please provide a Quantity Surveyors report for each property if you have not done so previously

### Loan Details

Date loan taken out Amount of loan Over how many years is the loan contract? Can we please have copies of any paperwork regarding the loan and the costs that the bank charged to create the loan? That is, we need to know about things like: • Establishment fees

- Application Fees
- Mortgage Stamp Duty
- Lenders Mortgage Insurance
- Lenders Legal Costs
- Other costs and charges paid to the bank

#### Income

We will need to know the gross rental income for the year (before the agent deducts their fees & charges), plus

Any other income paid to you in relation to the property by the agent, the tenant, the insurance company...etc.
